

iPad Acceptable Usage Policy

Introduction

In Borrisokane Community College we acknowledge the support of our parents in the iPad initiative. We anticipate this support will continue and that this initiative will enhance learning and teaching for all participating students.

This policy must be read in conjunction with the Borrisokane Community College's Acceptable Use (of the Internet) Policy which is published on the Borrisokane Community College website.

Equipment

Parents/Guardians are responsible for purchasing the iPad and ebooks/apps for their son/daughter. Parents/Guardians are also responsible for the safe-keeping, repair and insurance of their son/daughter's iPad. Insurance can be arranged through the school. Whilst parents/guardians retain ownership and possession of the iPad, they agree to grant to teachers and school management the right to collect and/or inspect and/or confiscate (for a limited period) the iPad at any time and the right to alter, add or delete installed software or hardware. Usage, within the school is a privilege and not a right. Students may lose their right to use the iPad and to have it in their possession if they abuse their responsibilities and breach this Policy, the school's AUP and the Code of Behaviour and School Rules.

Damage or Loss of Equipment

Students must report any damage or loss to the Class Teacher, Repair Team, the Principal and or Deputy Principal, who will determine necessary action. All iPads are covered by a manufacturer's warranty of one year. The warranty covers manufacturer's defects. If an iPad is lost or damaged by neglect or misuse it is the family's financial responsibility to replace the iPad. If an iPad is damaged, the school will work with the student and supplier to resolve any warranty issues
